

THREE MAZDAS NAMED "2015 MOST POPULAR" BY EDMUNDS.COM

On January 12, 2015, Edmunds.com named its "2015 Most Popular" award winners which included Mazda3 (Compact Car), Mazda CX-5 (Compact Crossover SUV) and Mazda CX-9 (Large Crossover SUV). According to Edmunds.com, the three models in each vehicle segment that attract the most car-shopper consideration from January 1, 2014 through October 31, 2014 are presented with the award. Additional information about the awards can be viewed at <http://www.edmunds.com/car-reviews/most-popular-2015.html>.

The 2015 Mazda CX-5 and the 2015 Mazda3, are equipped with SKYACTIV TECHNOLOGY which allows them to achieve among the highest fuel economy and exhilarating driving dynamics in their respective class. Additionally, components of i-ACTIVSENSE help to assist drivers in detecting potential collision situations and aids in the avoidance of these dangers. Mazda CX-9 is Mazda's seven-passenger SUV delivering a refined interior while serving a perfect platter of power and agile handling.
