

## LIAM DWYER ENLISTS WITH MAZDA MOTORSPORTS

IRVINE, Calif., Jan. 21, 2015 [PRNewswire/](#) — Mazda announced the addition of Liam Dwyer as a full-time racer in the 2015 Continental Tire SportsCar Challenge. Dwyer stunned the racing world in 2014 when he teamed up with Tom Long to co-drive their Freedom Autosport Mazda MX-5 to the win in the Lime Rock Park Continental Tire ST race on Memorial Day weekend. The win was a made-for-Hollywood storyline as Dwyer was competing in only his second professional race, and he was doing it with an artificial leg, having been injured while serving as a U.S. Marine Staff Sergeant in Afghanistan just three years previously.

For 2015, Dwyer will be paired up with Andrew Carbonell for the entire ten-race season beginning January 23<sup>rd</sup> at Daytona International Speedway. Carbonell scored two wins with Freedom Autosport and Mazda in 2014.

### Quotes:

John Doonan, Motorsports Director, Mazda North American Operations: “While we are all impressed with Liam on so many levels, we have recruited him for the same reason we recruit any driver. We believe that he can help Mazda win races and the 2015 manufacturers championship. His personal story is just the icing on the cake and helps us connect with a bigger story.”

Liam Dwyer: “I am very excited for the 2015 season. I thought things couldn’t get better after last season, but Mazda has once again shown how immensely awesome they are. To be granted a full ride in the Freedom Autosport Mazda MX-5 is the ultimate dream come true. And on top of that, I have one of the fastest MX-5 drivers, Andrew Carbonell, as my co-driver. I can’t thank Derek Whitis, Rhett O’Doshi and everyone at Mazda enough for this opportunity.”

Andrew Carbonell: “I am excited to be confirmed with Mazda and Freedom Autosport for the 2015 IMSA Continental Tire Challenge season. I am also proud to be co-driving with one of the most incredible racing stories recently; Marine Staff Sergeant Liam Dwyer. I have had the honor of getting to know Liam through the select races he drove with Freedom Autosport in 2014. To watch the inspiration and motivation from Liam from afar makes one understand the sacrifices one makes to follow their dreams whatever the circumstance may be. I look forward to continuing success and adding more victories together for Freedom Autosport and Mazda.”

Derek Whitis, Owner, Freedom Autosport: “When we created Freedom Autosport, it was to honor the men and women serving in the armed forces, especially the U.S. Marines. We are honored to have Liam join the team full-time in 2015. Just as important, we look forward to having additional marines serve other key roles on the team.”
