John Doonan, director of motorsports, Mazda North American Operations, said, “Thanks to all of our Mazda Motorsports family members who competed at Mid-Ohio and Watkins Glen and congratulations to our latest class of Mazda-powered club racing champions. I can’t wait to see if one of these champions moves on in winning the Mazda Road to 24 or Mazda Road to Indy Shootout.”

Winning a club racing championship with Mazda-power is the primary entry channel into the Mazda Road to 24 Shootout. This post-race shootout will award a \$100,000 Mazda scholarship to compete in the 2017 Battery Tender Mazda Global MX-5 Cup presented by BFGoodrich Tires.

Notes:

The combined starting field for Spec Miata at both events was 85 cars, 44 at Mid-Ohio, and 41 at Watkins Glen.
This was the first ever championship race for the Mazda MZR-powered Elan Technologies produced NP01 prototype.
