

2019 MAZDA MX-5 EARNs MOTORWEEK DRIVERS' CHOICE AWARD AS TOP CONVERTIBLE FOR SECOND CONSECUTIVE YEAR

MAZDA VEHICLES RECOGNIZED FOR SUPERIOR PERFORMANCE AND ELEGANT DESIGN

WASHINGTON, DC (February 8, 2019) – Mazda North American Operations (MNAO) announces the Mazda MX-5 Miata has won the 2019 *MotorWeek* Drivers' Choice Award for Best Convertible for the second consecutive year.

The Mazda MX-5 Miata is a symbol of Mazda's car-making philosophy and tireless pursuit of driving pleasure. As a result of numerous changes, the 2019 MX-5 is quicker, more responsive and aims to be more engaging to drive, adhering to Mazda's unique Jinba Ittai —“horse and rider as one”—engineering philosophy.

For 2019, the MX-5 gains a new SKYACTIV-G 2.0-liter engine, increasing the horsepower by 26 and further improving its performance, response, feel, and efficiency. Additionally, the MX-5 receives advanced safety features from Mazda's i-ACTIVENSE suite of technology including a standard rearview camera and available Smart City Brake Support, Blind Spot Monitoring with Rear Cross-Traffic Alert, Lane-Departure Warning System, and Adaptive Front Lighting System.

“Getting behind the wheel of a Mazda Miata MX-5 is an exhilarating experience which provides the freedom of exploration to those who love driving. The Miata has always been focused on providing an elegant and intuitive vehicle to all drivers,” said Masahiro Moro, CEO of Mazda North American Operations and senior managing executive officer of Mazda Motor Corporation. “The Miata is a legendary vehicle and we are continuously innovating and improving to provide passengers the joy of driving for years to come.”

The Mazda MX-5 Miata debuted at the Chicago Auto Show in 1989. Now, 30 years later, Mazda proudly made another debut at the Chicago Auto Show with the world premiere of the 2019 Mazda MX-5 Miata 30th Anniversary Edition. The special edition is meant to commemorate all of its milestones and the important people that have been part of its special journey, especially Mazda's enthusiastic fans. The first noticeable new feature is the exclusive Racing Orange exterior paint color. This strikingly vivid color pays homage to the yellow MX-5 Miata Club Racer that also debuted at the 1989 Chicago Auto Show. Racing Orange is meant to represent sunrise and anticipation, while staying true to the characteristics of a pure sports car.
