

MAZDA FINISHES SECOND AT ROAD AMERICA

August 9, 2021

QUOTES FROM MAZDA MOTORSPORTS

NO. 55 MAZDA RT24-P

HARRY TINCKNELL

“Olly did a great job to set me up. It was a struggle at first, but we maintained position and were still fighting with the lead cars. There was a crucial moment with the No. 10 car, who was fairly aggressive on the defense. We had a little bit of contact, but I was able to overtake and we moved on to P2. In the end, this P2 earns us great points in the championship, it gets us back on the road with the podium, and we head to Laguna Seca in good spirits.”

OLIVER JARVIS

“Obviously I’m really pleased with the P2 for us here at Road America. I think we maximized everything today, Harry did a great job, and the team was flawless throughout. We’re going into the remaining three races in a great position. P2, podium, we’re going to leave Road America very happy.”
