“This is an incredible win for us! The tenacity, creativity, and sheer determination the team has shown throughout the year is an excellent example of Mazda’s ‘Never Stop Challenging’ mantra. Additionally, having the car decorated with our fans’ autographs was our way of letting our loyal Mazda fans know we truly appreciate their support and love for the brand over the years.”

OLIVER JARVIS

“This is absolutely amazing, this means so much to us. To win our final race and to send the car out how it deserves – couldn’t be happier! Huge thanks to the whole team, but also the fans who really supported us.”

HARRY TINCKNELL

“We said it at the start of this weekend that we wanted to send it off with a high and now we’re spraying champagne at one of the biggest races in the world! I’m so proud of everyone involved in the program, it means more than anything. The outpouring of support from the Mazda fans really had us determined to do the best we could and I was never letting that one go at the end. I’m so happy to bring it home!”
