CX-50 2.5 TURBO MERIDIAN EDITION

Produced at the Mazda Toyota Manufacturing (MTM) plant inHuntsville, Alabama, the Mazda CX-50 is a rugged and capable crossover SUV designed to complement the active lifestyles of customers in the North American market. Building off the standard Mazda CX-50 2.5 Turbo model and all the features equipped with it, the Meridian Edition package expands the vehicle's capabilities by providing outdoor-focused black metallic 18-inch alloy wheels wrapped in 225/60/18 all-terrain Falken Tires designed to take on challenging terrain while still feeling at home on the road. Aesthetically, the Meridian Edition is purposely designed to stand out and provide thoughtful outdoor utility. All-new headlight garnish, unique Meridian Edition-branded matte black hood graphic, black wheel locks and lug nuts, and side rocker panels help protect the CX-50 from outside elements while maintaining the vehicle's rugged appeal. Meridian Edition is exclusively offered in Polymetal Gray or Zircon Sand exterior paint, while the interior is only available in the new Terracotta leather with black interior accents.

All Meridian Edition vehicles are equipped with Mazda's standard i-Activ all-wheel drive (AWD) system, Skyactiv-G 2.5L turbocharged four-cylinder engine capable of 256 horsepower and 320 lb-ft of torque on premium 93 octane fuel, or 227 horsepower and 310 lb-ft of torque on regular 87 octane fuel, and a responsive Skyactiv-Drive six-speed automatic transmission with manual shift mode. Meridian Edition also comes equipped with Mazda's Mi-Drive, that includes Normal, Sport, Off-Road, and Towing driving modes. In Towing Mode, when equipped with a Genuine Mazda Tow Hitch, it is capable of towing up to 3,500 lbs.

APEX PACKAGE

First seen during the reveal of the CX-50 last fall, Meridian Edition customers looking for the ultimate piece of adventure equipment can opt for the Apex Package upgrade. The package includes roof-mounted black crossbars, a roof platform and both front and rear splash guards. The roof platform allows customers to secure even more outdoor equipment or add the available rooftop tent from Mazda's accessories offerings.

MERIDIAN CHOICE PACKAGE

An available option for the remaining CX-50 models in either powertrain offering, Meridian Choice Package is a dealer-installed option offering similar outdoor-focused features that will help customers personalize any CX-50 to best fit their lifestyle. The Meridian Choice Package includes roof-mounted black crossbars, roof platform, front and rear splash guards, side rocker garnish, headlight garnish, and black wheel locks and lug nuts. This package also includes a matte black hood graphic with a different design from the one equipped on the Meridian Edition.

Mazda believes in the benefits of being in nature and that all CX-50 customers, from 2.5 S, 2.5 Turbo, or new Meridian Edition owners, should take time to experience the outdoors and pursue their passions. From surfing to mountain biking, from camping to skiing, Mazda has accessories to turn your vehicle into an essential partner for any journey.
