

2011 Mazda Tribute

1) Style & Value

Mazda Tribute is a unibody-based crossover SUV with traditional, go-anywhere rugged styling. Designed for real-world driving, it's at home cruising on the freeway or tackling unpaved roads.

- Rugged, tough exterior design
- Chrome-ringed sports car-styled instruments
- Tall roof and large cargo area
- Elevated seating position and superb visibility
- 100% vinyl-free seating surfaces (Grand Touring)
- Interior fabrics made with 35% recycled yarns (Sport and Touring)

2) Powertrains

- 2.5L I-4 – 171 horsepower and 171 lb./ft. of torque, standard five-speed manual transmission or available six-speed automatic transmission
- 3.0L V-6 – 240 horsepower and 223 lb./ft. of torque, standard six-speed automatic transmission
- 2.5L I-4 hybrid-electric** – 177 horsepower and 136 lb./ft. of torque, Continuously Variable Transmission (CVT)

3) Safety & Security

- Standard Dynamic Stability Control (DSC) with Traction Control System (TCS)
- Standard Roll Stability Control (RSC)
- Advanced dual front air bags (SRS), side air curtains and side air bags
- Available rear backup camera system (Grand Touring)
- Tire Pressure Monitoring System (TPMS)
- Daytime Running Lights
- Engine Immobilizer anti-theft system
- Standard Auto Door Lock/Unlock

4) Comfort & Convenience

- Easy-fuel capless fuel filler door
- Remote keyless illuminated entry system
- Available heated front seats
- Flip-up liftgate window
- 60/40 split fold-flat rear seats
- AM/FM/CD audio system with auxiliary jack
- Available garage door opener

5) Fuel Economy

- 2.5L I-4
 - 22/28 (city/highway) – M/T FWD
 - 20/28 (city/highway) – A/T FWD
 - 19/25 (city/highway) – A/T AWD
- 3.0L V-6
 - 18/26 (city/highway) – A/T FWD
