

2017 MAZDA MX-5 RF FACT SHEET

The latest addition to the MX-5 family, the 2017 Mazda MX-5 Miata RF, fully embodies the model's 28-year-old tradition of fun-to-drive. While staying true to the goal of making open-top driving more accessible, Mazda has broken the bounds of conventional thinking to create something entirely new with the introduction of the MX-5 RF.

Starting MSRP: \$31,555

| EPA - Estimated Fuel Economy (mpg) | M/T - City / Highway | A/T - City / Highway |
|------------------------------------|----------------------|----------------------|
| | 26 / 33 | 26 / 35 |
