

2019 MAZDA3 | FACT SHEET

Mazda3 is part of a long line of groundbreaking Mazda vehicles that have helped make it the best-selling Mazda in the world. The 2019 Mazda3 sets a new milestone as the first production model to lead Mazda into a bold new era. Blending beautiful design and exhilarating driving dynamics, Mazda3 was developed to inspire and create an emotional bond with its customers in two very distinct ways. A completely new design approach was taken when styling the sedan and hatchback, each embodying strikingly different personalities.
