

## 2018 MAZDA CX-3 FACT SHEET

No adventure is too big or too small for Mazda CX-3, Mazda's award-winning subcompact crossover SUV. Mazda CX-3 has exceeded expectations by providing class-above and segment-above features in a package that makes it ideal for cityscapes. Collecting praise since before it was recognized as a World Car Design of the Year finalist, the 2019 CX-3 continues to impress with exquisite design features such as a subtly enhanced exterior design and redesigned interior with new center console and armrests. Also for the new model year, CX-3 has been refined to deliver a heightened feeling of elegance, driving performance and efficiency.
