

## 2020 MAZDA CX-30 | FACT SHEET

Following the well-received Mazda3, Mazda CX-30 is the second model to adopt the latest evolution of Kodo design, a more mature interpretation of the striking design ethos. CX-30 combines the flowing beauty of a coupe and the strong proportions of an SUV; a beautiful design that can help inspire creativity. The proportions of the CX-30 are ideal to take on just about any adventure without hesitation. The interior is equipped with many premium features, yet remains spacious, comfortable and encourages conversations with all occupants. Like all Mazda vehicles, it is benefited by dynamic driving performance that offers an exhilarating experience and peace of mind.
